Wonderful 4 bedroom, 2 bath craftsman style two story located in the sought after Fulton neighborhood of Minneapolis, just a couple short blocks to Lake Harriet and all it's amenities. Solid oak woodwork, leaded glass windows, hardwood floors, formal dining room w/built in buffet and a wood burning fireplace all grace the interior of this fine family home. The kitchen addition with updated floor to ceiling cabinetry provides a light and bright area perfect for large families or entertaining.

The perennial gardens in the back yard are amazing and can be viewed from rear deck. There is also a 2 car garage with an attached storage area/shop space.
